We do not have responsibility with content of this book.

Over motivational messages? Sick AF of inspirational quotes? Done with the shiny happy bad advice that gets you nowhere? Well, heads up: youâ€™re about to get a shitload of Good Advice.

In Bad Advice, relationship expert Dr. Venus Nicolinoâ€™a.k.a. Dr. Vâ€™takes a blowtorch to the shrink-wrapped, â€œfeel goodâ€• BS that passes for self-help these days.

When youâ€™re heartbroken, what do you hear? You canâ€™t love anyone until you love yourself. When someoneâ€™s hurt you? Nobody can make you feel bad without your permission. When youâ€™re just a little too positive? Expectations lead to disappointment.

Pop culture noise gives Bad Advice the varnish of truthiness and inspiration.Â But itâ€™s not truth; itâ€™s not inspiration. Itâ€™s bullshit. And at its root, all Bad Advice operates off the same lie: Emotions are optional. In Bad Advice, Dr. V delivers a bracing truth serum, in the form of Good Adviceâ€™an antidote to the bullshit, from â€œJust Be Yourselfâ€• to â€œLive Each Day Like Itâ€™s Your Last,â€• that teaches you to live your life in a way that honors who you are, what you need, and how you feel.

Smart and irreverent, Dr. V fuses the brains and insight of a nerdy Ph.D. with the heart of a doting Italian Mother and the artful profanity of a Philly trucker. Dr. Vâ€™s signature combination of humor, hard science, and heart make Bad Advice an iconoclastic course-correction like no other. A fiercely sharp wake-up call that tackles some of self-helpâ€™s most damaging truisms, Bad Advice is a never shy guide to tapping into your full potential.
