10 Decorating Trends to Watch Out for in 2018 | Real Simple I don't think the minimalist look will ever completely go out of style, but I think a new wave of decadent, playful, and over-the-top trends are heading our way," says Jessica McClendon of Glamour Nest and she's looking to the runway for inspiration. Decorating the Way I See It by Markham Roberts Maybe I've looked at too many issues of Architecture Digest and other magazines and books about decorating and design. I didn't see much in this book that stood out as being I liked the large photographs in this lavishly illustrated book of the interior of houses, expensive houses that is, not the ones that I and most of my friends live in. Mix and Chic: Book review- Decorating The Way I See It! In Decorating The Way I See It, readers were shown the design process of the master designer through a step-by-step guide from basic interior elements, floor plan and furniture layout, color palette, furniture selection and incorporation of objects and art to architecture, landscaping and gardens. He also included his own country house, a nineteenth-century gentleman's farm in the Hudson Valley as an example to illustrate how he puts all the design elements together.
